ABOUT US

Verisk Solution Limited is a local enterprise. Verisk Solution Limited was founded by Kenyan security professionals with many years of experience in Loss prevention.

It's main objective is to provide risk management and loss prevention solutions.

Verisk solution Limited services are designed to deliver cost-effective business solutions to businesses with long and sometimes complex supply chains.

"Credibility"

Verisk Solution Limited products anchored on solid, tested and proven business principles purposed to reduce shrinkage, minimize liability, improve competitiveness, increase profits and maximize shareholder value.

Verisk Solution Limited has over time built and enhanced its capacity in supporting companies in areas of criminal investigations, background checks for both staffs and suppliers, surveillance which are critical pillars and core to any business.
